

School of Information Science and Engineering

Dec. 5th, 2016

To Whom It May Concern,

This letter is to invite Waqar Ahmad as a master student to Xiamen University. Mr. Ahmad graduated in 2016 from COMSATS Institute of Information Technology, Pakistan. I have communicated with Mr. Ahmad and can attest that his research interest satisfies our requirements for a master student.

Mr. Ahmad's study period will be up to two years, from September, 2017 to July, 2019.

Mr. Ahmad will apply Chinese Government Scholarship, I am glad to accept Mr. Ahmad if he can obtain the full scholarship from Chinese Government.

Mr. Ahmad will focus on, during his stay at Xiamen University, Human Computer Interface under my supervision. Mr. Ahmad's research will help several ongoing projects in my lab. He will collaborate with other team members under my advice.

Please facilitate the paper work necessary to process his study.

Thank you very much.

Sincerely,

A handwritten signature in black ink, consisting of stylized Chinese characters, is written over a horizontal dashed line.

Junsong Zhang, Ph.D.

Associate Professor

Fujian Key Lab of the Brain-like Intelligent Systems

Cognitive Science Department, School of Information Science and Engineering
