**EOI FOR SHORTLISTING OF CONSULTING FIRMS REGARDING CONSULTANCY SERVICES FOR
THE “SWAT RIVER CASCADE STUDY”
(Advance Action)**

Government of the Khyber Pakhtunkhwa intends to optimize hydropower potential of Swat River. In this regards PEDO plans to carry out identification on full stretch of Swat River cascade between upper swat to tail of Mohmand Dam reservoir. The study also include review of already identified / under implementation hydropower potential by WAPDA, PEDO, PPIB, Private sector etc. The cascade study would include the optimization of new potential without affecting the already identified potential, irrigation system, water supply environment and social impact on the project area under international standards-

For this purpose, PEDO intends to hire well reputed National and International Consulting firms register with PEC under relevant category to carry out cascade identification study. In this regard proposals are invited from Engineering Consultancy firms for conducting the identification / optimization study of Swat River Cascade.
